May 25, '01

Dear Sir :-

A friend in California has requested me to find out what he can get, above face value, for uncancelled Columbian stamps and silver five cent pieces. If you deal in either article will you kindly let me know what you could give for the same. In any case do

you know what they are  
worth.

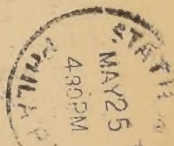

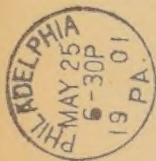

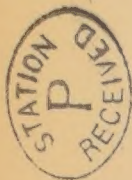

By answering on in-  
closed postal you will oblige

Yours respectfully  
Eda Menzel.
